

Update Note

Fixes in Installer / Firewall rules / IIS Rules / Documentation

For new installations, please download the complete VideoManager Installation file (VM_16.0.0.263_Installation.exe) from the FTP server and use it from now on. For Information about Integrity checking, please consult the latest Installation Instruction document for VideoManager.

Fixes in VideoManager_16.0.01 (Update R01)

The following list describes only those bugs that were fixed in the current Hotfix.

Hotfixes are cumulative, i.e. earlier fixes for the same product version are included in the current Hotfix.

For lists of bugs fixed in earlier Hotfixes, please refer to the respective notes provided on our FTP server.

ID	Issue Type	Component(s)	Issue Description
